Hilltop Albury Wodonga Patient & Carer Accommodation Centre

Operated by the Fight Cancer Foundation on a not-for-profit basis, Hilltop Patient and Carer Accommodation Centre provides patients and their carers with high quality, affordable accommodation close to the Albury Hospital and other local treatment centres.

Just 50 metres via a wheelchair friendly path to the Albury Hospital, Hilltop relieves patients and carers of undue financial hardship and the stress of having to undertake frequent long distance travel to access treatment centres.

Each of our 20 modern motel-style suites includes kitchen and dining facilities and an en-suite bathroom and is equipped with quality appliances, comfortable furniture and bedding. There are interconnecting rooms for families and rooms for guests requiring wheelchair access.

Each floor features a friendly communal area called 'The Hub'. It comprises a comfortable lounge area with television and stereo, a fully equipped kitchen and a dining area where you can enjoy a quiet meal or mix and mingle with other guests. To complete your home away from home, The Hub also features a large under cover balcony with outdoor lounge and dining furniture and BBQ facilities.

All suites have individually controlled reverse cycle air-conditioning, a television, microwave, refrigerator, iron, kettle, crockery and a range of utensils. Bathrooms feature vanity, storage, shower and toilet. Some rooms also feature balconies and all enjoy sweeping views across the Murray Valley.
