Hosting a Footy Colours Day event is a fun way to make a difference in the lives of kids with cancer and boost social connection during a tough year!

Activities and games

Adding extra activities and friendly competition to your day will make sure it's premiership worthy!

- Club room / household decorating or dress up competitions
- Hand ball or longest kick competitions
- Play our virtual friendly Footy Colours Day Fines game or place a fine box in a communal space – get contributions for things like being late, getting photobombed on a video chat or even telling bad jokes!
- Auctions, raffles and trivia – nothing adds points on the board like auctions, raffles and trivia.

Tip!

Share your Footy Colours Day event using the power of social media and don't be afraid to ask for donations – we have found those that can donate want to!

The 2020 difference

- Hold your Footy Colours Day celebrations over a whole week so everyone can get involved!
- Hold a virtual fashion parade and let everyone strut their stuff and see their colours shine
- Generate social connection by utilising our Footy Colours Day player cards to create a team photo or create a team video where each person records themselves passing the ball from screen to screen.
- Make your celebration virtual and raise much needed funds for kids with cancer.

Socially distanced events

- Encourage teammates, sponsors, supporters and members to bond by coming together over a socially distanced or virtual morning or afternoon tea – ask people to donate what they would normally spend for that occasion
- Coincide your Footy Colours Day event with the footy finals and have a socially distanced viewing party!
