

Tips and Ideas

- ORGANISATIONS -

There's no interchange bench for Footy Colours Day – get everyone involved with our tips and ideas including activities for working remotely!

This year we could all use a cause for celebration! Hosting a Footy Colours Day event at your workplace – whether you are working in-office, at home or both - is a fun way to make a difference in the lives of kids with cancer and boost workplace morale and social connection!

Activities and games

Adding extra activities and friendly competition to your day will make sure it's premiership worthy!

- Office decorating or dress up competitions.
- Hand ball or longest kick competitions.
- Play our virtual friendly Footy Colours Day Fines game or place a fine box in the office – get contributions for things like being late, getting photobombed on a video chat or even telling bad jokes!
- Auctions, raffles and trivia – nothing adds points on the board like auctions, raffles and trivia.

Tip!

Share your Footy Colours Day event using the power of social media, and don't be afraid to ask for donations – we have found those that can give, want to!

The 2020 difference

- Hold your Footy Colours Day celebrations over a whole week so everyone can get involved if you have an in-office roster.
- Hold a virtual fashion parade and let your colleagues strut their stuff and see their colours shine.
- Generate workplace connection by utilising our Footy Colours Day player cards to create a team photo or create a team video where each person records themselves passing the ball from screen to screen.
- Make your celebration virtual and raise much needed funds for kids with cancer.

Socially distanced or virtual morning tea

- Encourage team bonding by coming together over a socially distanced or virtual morning or afternoon tea – ask colleagues to donate what they would normally spend for that occasion.
