Activities and games

Adding extra activities and friendly competition to your day will make sure it's premiership worthy!

- Office decorating or dress up competitions
- Handball or longest kick competitions
- Fine box – get contributions for things like being late, swearing or even telling bad jokes!
- Auctions and raffles – nothing adds points on the board like auctions and raffles
- Host a bidding war over the boss's office for a day, parking spot or a colleague's talents or services
- Involve your local community and/or clients to donate to your auction or raffle

Footy finals fever

September is all about finals footy so encourage your colleagues to share their passion for footy to make sure your event comes out on top.

- Start the season early with a company-wide footy tipping competition and announce the winner on your Footy Colours Day
- On your event day, let your footy buffs show off their knowledge of the game with a quiz - ask people for a donation for any wrong answers

Morning or afternoon tea

- Encourage team bonding by coming together over a morning or afternoon tea, BBQ, Friday night drinks, lunch or other team activities – ask colleagues to donate what they would normally spend for that occasion.

Tip!

Reach a larger audience by opening your event to the public and use the power of social media to spread the word
